Moon River Cruise

August 24, 2017

The Moon River Cruise

On August 24, the Moon River Cruise aboard the luxurious 138' motor yacht, Ovation, will provide important support for the Michigan Parkinson Foundation.

Our guests will enjoy impeccable hospitality and unrivaled views as Ovation travels from her berth at Jefferson Beach Marina down Lake St. Clair to the Detroit River during the three hour cruise.

But the most important part of the Cruise will be the funds it will raise to help the Michigan Parkinson Foundation continue its important work.

A Great Evening for a Great Cause

The work of the Michigan Parkinson Foundation is made possible through the generosity of the caring individuals, corporations and foundations that share its vision... to provide services and resources to enhance the quality of life for people with Parkinson's and their families throughout the state.
